Dear Jonathan,

On behalf of more than 14,000 members of the United Food and Commercial Workers Union (UFCW) Local 700, we are proud to endorse your candidacy for Indiana Attorney General.

Thank you for your commitment to the interests of working families across Indiana, your dedication to the values embodied by the labor movement, and your commitment to addressing the needs of all hard-working men and women in our state. Feel free to use this endorsement in your own campaign literature and communications.

You have worked diligently on behalf of the people you represent, and we believe you have the ability to win and to lead with integrity.

We join working families from across the state in supporting your candidacy, look forward to your victory in November, and to your work as Attorney General

In solidarity,

International Vice President
President UFCW Local 700
